**MAJESTIC RESORT GUIDE APP:**

The Food & Beverage and Events Teams at RC Hospitality Solutions have created a new app for Majestic Beach Resort that they asked to share with the owners as a preview. The app is designed to promote the features and services available at Majestic Beach Resort. Below is a message from Brian McConnell, VP of Club Operations for RC Hospitality Solutions.

*Big News!*

*Today is the day that we launch the special owner preview of the all new Majestic Beach Resort Guide App. Over the next week I encourage all homeowners to download and explore all it has to offer. The attached is an overview of what the app is, what it provides and how to download it. The attached .pdf can also be sent to your rental management company to include in a guests confirmation email, or printed and left in the unit for new guests to see.*

*We will also be providing an informational "rack" card that will be available for pick up at owner services, with instructions for guests to download and*

*login. We will be placing QR codes at the F&B Outlets, as well as other collateral around the resort.*

*We believe this will vastly increase the guest experience at Majestic Beach Resort and look forward to a wonderful summer season.*
