

We are making the final preparations for this weekend's Annual Owners Reception and Meeting, scheduled for Friday, November 4th and Saturday, November 5th. We hope you are able to join us as it is always an enjoyable weekend, special for our owners. Immediately following the Owner's Weekend, we will step right into the next capital improvement project as Southern Pools and Spas will begin the resurfacing of all six swimming pools.

Beginning Monday, November 7th crews will begin with the Tower 1 indoor pool, which will take approximately two weeks from start to finish. Following the Tower 1 indoor pool, crews will then jump to Tower 2 indoor pool. The goal will be to complete both indoor pools ahead of the influx of our winter guests. Following the two indoor pools crews will then focus on the outdoor pools for the duration of the project. Overall the project is scheduled to take 8 - 10 weeks, ending in early to mid January. Along with the re-plastering of the swimming pools, the skimmer and step tiles will also be replaced.

Crews will work Monday - Friday, beginning around 8:00 am - 5:00 pm. Please be sure to notify your guests ahead of time as there will be noise as they remove the old plaster and tile. We apologize in advance for any inconvenience as we work to improve Majestic Beach Resort. Should you have any questions, please email or call myself or Owner Services at 850-563-1017.
