

Good Evening-

I hope you and your family are doing well this evening. This is the time of year, with the lower occupancy,

when your Association Maintenance Team is able perform some of our fall clean up and projects. One of those projects will take place tomorrow evening, Wednesday, November 4th. Beginning at 6:00 p.m. the west elevator, ground floor lobby in Tower 1 will be closed in order for our team to be able to re-seal the brick pavers. This is the area by the Tower 1 indoor pool. Access to the ground floor, west elevator lobby will be closed. The west end elevators will still be working for all floors except the ground floor. Anyone needing access to the lobby must use the east elevators. Additionally, access to the beach, outdoor pools, and hot tubs will be through the east rear exit of Tower 1, next to the beach access ramp. We will have signs posted in the elevators notifying guests as well.

This area will reopen on Thursday morning. We apologize for any inconvenience this may cause. We greatly appreciate everyone's cooperation.

Sincerely,

Paul Shamblin,

Association Manager

Majestic Beach Resort Community Association, Inc.

---

**Luggage Carts:**

As we do each year between November 1st and February 28th, the luggage carts will be available for owners and guests in Tower 1 and Tower 2 lobbies, as well as the loading and unloading parking on the 3rd floor of the Amenities

Building/Parking Garage. The luggage cart sign out will resume next March.
