

## Spring Break 2021

The main purpose of this notice is to remind everyone of our **Parking Pass and Armband Policy** for Majestic Beach Resort. While Spring Break may not quite be what it once was, we want to be sure we do not inconvenience your rental guests during their stay at Majestic. With that being said, it is extremely important that you please share this information with your guests and/or rental management company. Beginning Thursday, March 4, 2021 Security will begin enforcing the guest armband policy. It is important that all owners and rental guests, age twelve (12) years or older, wear the silicone property armband when on property. The blue and white bands are for rental guests, while the green and white bands are for owners and their immediate family. Security has the right to deny access to the property in proper armbands are not worn.

---

Additionally, be sure your guest have a visible parking pass displayed from the rear view mirror any time while on property. Parking Passes must be completely filled out using a Sharpie style marker. If you have not already purchased the

new armbands or parking passes, you can purchase them at Owner Services, located in the lobby of Tower 2.

Additionally, we realize that many owners and management companies leave the parking pass in the unit for your guests. Upon arriving at the Guard House at the Garage, please ask your guest to have a copy of their confirmation available, either on paper or via an email pulled up on their phone, showing their arrival date, prior to pulling up to the garage. Upon seeing the confirmation, Security will provide a temporarily pass for them to access the garage while the unload and are able to retrieve the regular guest pass.

---

As we do each year between March and October, the **Luggage Carts** will be moved to the 3rd floor loading/unloading parking, just outside the Amenities Building Lobby. Beginning Monday, March 1st in order to sign out a luggage cart, a valid drivers license will be required.

Owners may also chose to provide their Majestic Owner ID Card. Once the luggage cart is brought back, the drivers license or ID card will be returned. This is to ensure that luggage carts are available when you or your guests check in.

---

Please be sure your guests are aware of the rules in order for everyone to experience a safe and more enjoyable stay.

As always, we are here to serve our valued guests and owners. We are looking forward to another busy year at Majestic Beach Resort. If we can assist in any way, please do not hesitate to let us know.
