Majestic Information Desk: As previously reported, Resort Collection Rentals, which was purchased by VTrips, moved their front desk

Operations from Majestic Beach Resort to Edgewater Beach Resort. While they are still providing rental management services at Majestic, they no longer operate the Front Desk in the Tower 1 Lobby. Additionally, Schulstadt Rentals is in the process on moving into the desk space at Majestic Beach Resort. They are currently in the process of renovating the space, with new flooring, paint, and furnishings. In the coming weeks, Schulstadt Rentals will open the Information Desk at Majestic Beach Resort. Below is a statement from Teresa Schulstadt on what to expect:

"Herb and I are excited about the opportunity to provide a valuable service to our fellow owners at Majestic Beach Resort. We are owners, too. We understand it from every possible angle.

From the horse's mouth, here's what is going on and what you can expect in the future. We have leased the commercial space that was previously referred to as the front desk. It is now an Information Desk. We simply have moved our base of operations to Majestic. Yes, we are the exclusive on-site rental company. No, we will not be checking our guests in at the lobby. Long before Covid and contactless check-ins became the new norm, we were already doing it. It works and we will continue it.

However, we have made a personal commitment to offer an Information Center to all, regardless of whether you utilize our rental company or not. This is at No Charge to the HOA, thus to any owner. Our goal is to create an environment that encourages people to pay more to stay at Majestic.

Once we get settled, and it's not going to happen overnight, we plan to man the Information Center from 8am - 8pm during the busy months. And we most definitely intend to let our employees have the much needed down time during the winter to regroup and spend time with their families. Off season hours will be decided when we get there.

Once we get the place clean, our systems moved over, and all of our employees back from illnesses, you will see us...a lot.

We have been a part of Majestic since it opened. Through good times and bad, we have been here. To accomplish our goals will take time, but we are here for the long haul."
