

News & Updates

BEACH SERVICE UPDATE:

As was announced at the Annual Meeting, there will be a new Beach Service vendor at Majestic Beach Resort. There was a great deal of excitement related to the services they will be offering the coming year to enhance the guests experience at Majestic. They also originally announced that they would not offer seasonal rentals that would be transferrable for guest use. Since then they have received feedback from concerned owners about the lack of a transferable seasonal rental. The team at Goin' to the Beach! reached out to us today ensuring their desire to provide a positive experience for the owners and guests at Majestic Beach Resort. They provided the following statement on a new plan for seasonal rentals to Majestic owners for the coming season. As with past years, this may be or limited availability on a first come, first serve basis.

"Majestic Condo Owners,

We would like to start off by saying we are thrilled to be the beach chair rental service provider for Majestic Beach Resort in 2022 and beyond. Our mission is to provide the best beach service in Bay County and we feel confident that with our exceptional customer service, online booking engine, as well as the Food and Beverage service we are providing, and our staff will exceed your guests expectations and make them yearn for their next beach vacation at Majestic Beach Resort.

We have heard some feedback from owners specifically towards our intention not to provide transferrable sets of beach chairs for annual purchase. As your beach vendor we want to ensure the best experience possible for ALL owners and guests and have re-worked our original plan to not offer this service. For 2022, we will offer the purchase of transferable sets to owners if you had previously done so with the former vendor. The cost associated with the 2022 transferable set will be \$2,000.

At the conclusion of the 2022 season we will reevaluate the program to determine if it will be available moving forward.

If you are interested in purchasing a transferable set for \$2,000, please

contact [Trevor Shore](#) or [Nick Bland](#).

We look forward to providing Majestic Condo Owners and Rental Guests the best beach experience in Bay County.

Warm Regards,

Goin' to the Beach"

Goin' to the Beach! Beach Service will begin operations on-site March 1st. Owners and guests can reserve chairs or arrange for a beach bonfire in advance by using the Goin' to the Beach app. Additionally, they will be offering chair side food & beverage service through H2O. Each daily rental chair comes with \$10 in cabana cash. Owners receive 20% off the rack rate. Cabana cash is redeemed with their beach server the day of purchase. Unused cabana cash can not be transferred to a different date.
