

## **MAJESTIC TOWER 1 WATER OUTAGE**

As you aware on December 28<sup>th</sup>, water for Tower 1 had to unexpectedly be shut down in order to diagnose an electrical issue with the booster pump system. On Tuesday, January 10, 2023 between 10:00 am – 11:00 am, water for Tower 1 will be shut down in order for our electrician to make the permanent repair. While we will post a notice in Tower 1 elevators, please be sure to inform your rental guests.

Should you have any questions, please contact the Association Office at 850-563-1017.
