We look forward to seeing everyone on the World's Most Beautiful Beach!

****City Hall is meeting in February on the Food Running Service Ordinance****More information to come....

PICKLEBALL COURTS:

One of the fastest growing sports is Pickleball. Around the country pickleball courts

are popping up at parks and community centers. By February 1st, we will integrate the tennis court on the 6th floor of the Parking Garage as a dual purpose tennis court and 2 pickleball courts. Additionally, we will have pickleball equipment available to sign out through Owner Services. More information to follow.

Tower 1 Balcony Light Replacement:

Sand Castle Electric, along with the Majestic

Maintenance Staff, will continue changing the balcony light fixtures in Tower 1. Please refer to the schedule below for your particular floor. **It is**

extremely important that crews be allowed access in order to change to the new LED fixture. Notices will be posted in the elevators, but please be sure to inform your rental guests to ensure access for our crew. While residents are more than welcome to be home, it is not necessary as Maintenance will escort the electrician in the unit. It should only take approximately 15-20 minutes to change the fixture.
