

MAJESTIC BEACH RESORT COMMUNITY **ASSOCIATION NEWS & UPDATES**

Guest Parking **Registration Update:**

This past Friday we updated some administrative features to the registration site. While the update is now loaded successfully, it did cause

some unanticipated issues this past weekend. We apologize for any temporary disruption this may have caused. Rest assured that they have been addressed. The team is currently working on some additional features for improved guest and owner experience. The long awaited direct unit link is finally going through owner testing. This new feature will allow owners to provide a link on your reservation booking page where guests will be able to create and complete their own guest vehicle registration for your unit.

Another new feature, now available, is the "Find My Registration" QR code. If a guest misplaces their

registration link or email and need to create, edit, or add another vehicle they can simply scan the QR code below and access their registration simply by entering their phone number or email address.

Stay tuned for more features to be announce in the coming weeks.

As a reminder, the only vehicle registrations that should be created in the "My Garage" section are as follows:

Owner: These are for vehicles owned by the deeded owner or their spouse.

Family: These are for vehicles owner by immediate family which is limited to the owner's children or parents. All others, including Aunts, Uncles, Cousins, etc. have to be registered as a Guest.

Occupational: These are for your housekeeper or maintenance personnel. General vendors that everyone uses are registered through Owner Services.

The Friend and Extended Family option should not be used. All other vehicles should be registered as a Guest.

Lastly, if you are a new owner or a seasoned owner and have any questions regarding the registration system or simply need some training, please do not hesitate to reach out to pauls@rcamflorida.com or

support@guestsvcs.com. While we have step by step instructions available at majestic-hoa.com, we are more than happy to provide one on one training for owners and management companies.

FACEBOOK INFORMATION:

As many of you know, there is an owner Facebook page, which is administered by fellow owners and is an excellent way for owners to share ideas, vendor recommendations, and to connect with other owners. However, we please ask that if you need assistance, have questions, or concerns regarding the Association or overall property, please contact the Association Office at:

pauls@rcamflorida.com

or

850-563-1015

I often receive calls, texts, and emails from owners informing me of a question or concern that another owner posts on the Facebook page that otherwise would never make it to me. We always prided ourselves on welcoming owner and guest input and feedback, and do our best to assist when possible. While we don't want to discourage anyone from using the Facebook page, please reach out to us directly with any questions, suggestions, or concerns. I am always available by phone, text, email, simply stop by my office.
