10.28 Cheap Date - Who likes a cheap date? We all do! Meet at 5:30 in front of tower 2, then we'll walk to Applebee's. Yep, it's a cheap date, no gas used

tonight plus \$6.99 cheeseburgers and drink specials makes this one of the cheapest meals on the beach, and the burgers are good! Join this event here, so we can reserve tables together.

10.30 Sunset Sea Screamer & Deckhand Social Dinner -Purchase tickets online for the 4:30 sunset cruise and meet at 4 at the marina. Then join us after the cruise outside at Deckhand Social for dinner. Share a table with new friends and enjoy live music and great food. Feel free to join us for dinner, even if you don't do the cruise, meet at 6:45.

10.31 Duplin Winery -Meet at Duplin and sign up for the next tasting.
